

TARIFF SURCHARGE NOTICE

March 3, 2025

As of the date above, any Tariff charged to our invoices on any of our commodities at any of our locations, we will be PASSING on this tariff cost on all commodities effected.

This will be a separate line item cost shown on your invoice at time of sale.

We only will charge the tariff cost on the commodities that we are charged on. This tariff cost includes all forward contracts or spot pricing from this date forward until further notice.
